

# Summerthing Else 2010

## Mythical Creatures

Monday 2<sup>nd</sup>  
to Friday 6<sup>th</sup>  
August

Each participant chooses one programme only

### Programme 1

**Circus** with Layla Rosa and Lila Lively  
Come and join Layla and Lila for a week of stilt walking, trapeze and acrobalance. You will spend the week creating mythical creatures that can fly through the air, turn upside down and spin all around. Creatures that can almost touch the sky, see over the rooftops and stand ten feet high!

12 places 8 - 13 years

This year the week will culminate in an outdoor spectacle in The Borough Gardens. After a week of workshops specialising in one artform we look forward to transforming the space into a Mythical Wonderland.

### Programme 2

**Creative Arts Workshop** with Darrell Wakelam and Teresa Grimaldi.  
Help build a secret doorway into the magical forest and large scale natural objects to decorate the forest floor. During this creative programme you will also make mythical woodland creatures in the form of puppets - a mix of string and rod puppets, some tiny and some BIG that can be brought to life within this magical world.

28 places all ages

### Programme 3

**Dance Space** with Tiago Gambogi  
Join in an amazing adventure - create extraordinary mythical creatures and discover the fantastic worlds in which they live! Learn how to create dance and movement that is fun and exciting and enter a magical world!

12 places 8 - 13 years

### Programme 4

**Animation Hub** with James Price  
Let us cast a spell and bring mythical creatures to life. Imagine your very own mythical or mystical creature blinking, breathing fire or flying. Help James animate them and create a short film.

6 places 8 - 13 years

### Programme 5

**Mixed programme**  
A special programme to accommodate some of the younger children. This will involve puppetry, making, singing, dance and stories.

10 places 6 - 7 years

## Booking form

I would like to book [please tick]:

- 5 day ticket @ £80  
 5 day ticket @ £65 concessions and siblings

**PLEASE COMPLETE ONE FORM FOR EACH CHILD**
