

We have introduced enhanced cleaning measures, throughout the day, which seek to disinfect high-frequency touch points, such as tables and chairs, taps, handles, hand plates and handrails

We have introduced new deep cleaning measures in the event that a person presents themselves with symptoms consistent with COVID-19

We have introduced new Personal Protective Equipment (PPE) requirements for a range of activities that staff routinely perform.

It is not mandatory for our staff to wear face masks or gloves.

STAFF WEARING PPE : any customer can request that the staff serving them wear a face covering. Please let us know when you arrive.

As with our staff, we politely request that all our customers uphold the highest possible hygiene standards through social distancing, regular hand washing and the frequent application of hand sanitizer, and wearing a mask

Our staff now participate in COVID-19 specific training instructing them how to stay safe as well as how to keep our customers safe
